

malteexplorer Land Rover 110

Defender, V8

The vintage design and world class engineering of the Land Rover Defender make this one of the most beautiful and capable overlanding vehicles in the malteexplorer lineup. We created this vehicle with the Land Rover enthusiast in mind, staying true to the design of this iconic truck. This conversion uses the finest materials for the ultimate in luxury over-

landing - carbon fiber cabin, powder coated aluminum bumpers and stainless steel exhaust. The interior has all the comforts of home, including Italian-made alcantara seating and a kitchenette with hot and cold water.
