

malteplorer Toyota

Land Cruiser, Series 7 troopy

Similar to our famous malteplorer Toyota Land Cruiser Series 7, we created this conversion on the legendary Toyota Land Cruiser HDJ chassis. Our restoration process uses the latest innovation and technology, giving our customers a unique truck with incredible driving performance and security.

The malteplorer Toyota Land Cruiser Troopy is intended for two people and is ideal for short weekend trips or longer journeys in warm climates.

The carbon fiber pop up roof is latched in front, opens four feet high and is completely screened in. The sleeping compartment is in the pop up roof to give the sensation of sleeping outdoors.

The rear of the vehicle includes a kitchenette equipped with sink, warm water system, refrigerator, two burner propane cooktop and plenty of storage as well as banquette seating that converts into a single bed during heavy rains or extreme temperatures.

Specifications:

- Model: Toyota 80 series chassis
- Year: 1990
- Color: white
- Engine: 4.2 Turbo diesel
- Transmission: 5 speed manual
